MSR PRODUCTS IN PERRY

The Tolleson MSR Southern Pine products from our Preston, GA mill have been well received. We are expanding our MSR production to our Perry mill, ending the DSS visual grade.

The Perry mill will pull 2X6 and 2X8 in 2400, and 2X10 and 2X12 in 2250. Perry is an 8'-16' mill. Lee, Jon, Joan, or Kim can quote our MSR products mill direct. For service through our joint venture reload in Aurora, IL call Bob Tavernier of Robbins Lumber Company at 800-808-4017

KUDOS TO RUSTY WOOD

Congratulations Rusty Wood, President and CEO of Tolleson Lumber Company. Rusty was voted Timber Processing Magazine's "Man of the Year" in its January/February 2002 issue.

PRESTON TO HT STAMP 2'

Preston will begin HT stamping 2' material no later than June 1st. Since September 2001 the HT stamp has been incorporated into our regular grade stamp. Those items not grade-marked are end-stamped.

BUSINESS EXPANDING AT TOLLESON REMAN PLANT

Business is expanding at our reman plant and we sure appreciate our new customers that have helped us grow in 2002. We produce some of the best pattern stocks (beaded ceiling, v-joint etc.) that you can buy. A large majority of the material we manufacture is milled at our own sawmills allowing us to control the quality of the finished products. We look forward to filling your future orders.

ENTER OUR CONTEST TO WIN A WEEKEND AT BROWDALE

During the weeks of April 22nd and 29th you can qualify to win a weekend at Tolleson's Browdale Plantation. Just a phone call to a member of our sales team will get you one entry.
