

Timber! IS THE OFFICIAL NEWSLETTER OF TOLLESON LUMBER COMPANY

Special Edition - April 9,, 2003

To Our Valued Customers

Tolleson Lumber Company is experiencing a temporary production curtailment the balance of this week. The wet weather currently being experienced in the area has interrupted the flow of logs to the Preston Mill. The Preston sawmill ceased production on April 9th. The sawmill and planer mill will be down on April 10th and 11th. Weather permitting, we hope to resume normal production on Monday.

The shipping office will remain open. Normal shipping hours are Monday through Thursday 7:00 AM to 4:30 PM and 7:00 AM to 4:00 PM on Friday.

Perry continues on a normal operating schedule.

The sales office will remain open to serve your lumber needs.
