Tolleson Lumber makes every effort to insure that your order leaves our mill free of mold. HOLIDAY SCHEDULE

Tolleson Lumber Company will be closed on July 4th in celebration of Independence Day. Thursday July 3rd Loading hours for Perry are 7 AM to 4 PM Preston is 7 AM to 4 PM.

"On the Fourth of July, 1826, America celebrated its Jubilee the Fiftieth Anniversary of Independence. John Adams, second President of the United States, died that day, aged ninety, while from Maine to Georgia bells rang and cannon boomed. And on that same day, Thomas Jefferson died before sunset in Virginia. In their dying, in that swift, so aptly celebrated double departure, is something which shakes an American to the heart. It was not their great fame, their long lives or even the record of their work that made these two seem

indestructible. It was their faith, their bounding, unquenchable faith in the future, their sure, immortal belief that mankind, if it so desired, could be free." - Catherine Drinker Bowen
