Timber! IS THE OFFICIAL NEWSLETTER OF TOLLESON LUMBER COMPANY

VOLUME 5- June 13, 2003

Joe's Corner

Production of CCA wood for most residential use will end this year. But the need to continue the fight for the markets for pressure treated lumber will continue. The Treated Wood Council will be in the forefront of the legislative and regulatory issues. The TWC members include treaters, chemical suppliers, and lumber manufacturers. Associate members include companies that sell or distribute treated wood and agencies that inspect treated wood. I hope you join me in wishing the TWC success and actively participate and support this organization.

TRUCKS ARE TIGHT!

Tolleson has trucks and can deliver. Are you purchasing your southern pine lumber from someone who has to find a truck after you have placed an order? This is not an issue if your are within 300 miles of Perry or Preston. Tolleson Lumber Company runs a fleet of trucks to meet your needs. As of today, once an order is called ready, we can schedule the delivery within the next several days. Book 3,4, or more trucks and let us know which load you need first. We can help in a tight trucking market with timely delivery.

FLORIDA BUILDING PRODUCTS AND DESIGN SHOW

Tolleson Lumber Company sales representatives are looking forward to once again participating in the Florida Building Products and Design show. The 2003 event will be held at the Renaissance Orlando Resort at Sea World in Orlando, Florida on August 22nd and 23rd. Representatives of Tolleson's sales force attending this years show will be Joan Yawn and Lee Duke. We view our participation in this even as a wonderful opportunity to visit with our customers and learn how we can better serve them. Please stop by booth 427 and chat with us. Joan and Lee are looking forward to seeing old friends and meeting new ones.

NEW RELOAD LOCATION

We have added Reading, PA to our MSR reload locations. As with Aurora and La Crosse, Robbins Lumber is providing the sales contact. Joe O'Neill will assist customers with their purchases from the Reading location. Joe can be reached at 866-285-6109. Bob Tavernier is providing his expertise at Aurora and La Crosse, Bob's phone number is 800-808-4017. Both are knowledgeable and experienced lumbermen.
